REBUILDINDY

Department of Public Works

1200 MADISON AVE., SUITE 200
INDIANAPOLIS, IN 46225

October 8, 2010

Below are anticipated construction activities for the week of 10/11/2010.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. We ask for motorists' patience and caution while driving through construction sites.**

Center Township

Contractors will be milling and repaving the roadway on the following streets during the overnight hours. Expect lane closures while construction is taking place and restricted parking.

- Maryland Street from West Street to Washington Street.
- Washington Street from New Jersey Street to College Avenue.
- New Jersey Street from Ohio Street to St. Clair Street (daytime work).
- New York Street from West Street College Avenue (daytime work).
- Pennsylvania Street from Washington Street to McCarty Street (daytime work).

In addition to street repaving, contractors will also be making repairs to concrete curbs and sidewalks along the streets listed below. Work is scheduled to take place during the daytime hours, though some sidewalk closures will be necessary overnight. Lane closures and restricted parking are to be expected during construction activities.

- East Street from Ohio Street to Washington Street.
- Pennsylvania Street from McCarty Street to Washington Street.
- Meridian Street from South Street to Washington Street.
- Illinois Street from McCarty Street to Washington Street.
- Ohio Street from East Street to College Avenue.

The Oliver Avenue Bridge over White River is also being reconstructed. The bridge will remain open during construction with lane restrictions.

Georgia Street

Utility relocations are currently ongoing in anticipation of 2011 reconstruction of Georgia Street. Work is now concentrated between Illinois Street and Pennsylvania Street. Relocations are taking place along both edges of the road. Lane restrictions are in place and at times pedestrian traffic will be detoured. For more detailed information, please visit the Georgia Street project page at www.indy.gov/dpw.

Cultural Trail

Contractors will be placing final asphalt surfacing on the following roadways in anticipation of final pavement markings to take place the following week. Construction is scheduled during the daytime hours, and minor lane restrictions are expected.

- Along New Jersey Street south of Walnut Street, including the intersection.
- The intersection of East Street and Walnut Street.
- Walnut Street west of Park Avenue.
- The intersection of Massachusetts and Park Avenue.
- Along College Avenue beginning south of the Massachusetts/St. Clair Street intersection ending just north of the intersection.

Construction is currently underway to install underground storm sewers in advance of Cultural Trail work at the following locations. Work will take place during the daytime hours and minor lane restrictions are expected.

- Alabama Street from Market Street to Washington Street.
- Capitol Avenue from Washington Street to Maryland Street .

Work is underway to replace ADA ramps, concrete sidewalk and curb on the following streets. In addition, contractors will be repaving the roadway on the following streets. Work is scheduled to take place during the daytime hours with minor lanes restrictions in the immediate construction area in the following locations.

Pike Township

- Guion Road from 28th Street to 56th Street.
- West 86th Street from Lafayette Road to the county line.

Warren Township

42nd Street over Steele Ditch will be closed for replacement. A posted detour route will be in place for the duration of this project.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. We ask for motorists' patience and caution while driving through construction sites.**
